

REMARKS

The Notice of Drawing Inconsistency with Specification mailed February 13, 2008, has been received and carefully reviewed. This Amendment is timely filed 30 days from the mailing date thereof. The preceding amendments and the following remarks form a complete and full response to the Notice. The specification is amended. No new matter is added. Applicants request entry of the preceding amendments prior to issuance of this application, submit that this response corrects all inconsistencies, and request that this application be timely issued

The Notice stated that FIGS. 2a, 7b and 7c were not listed in the description of the drawings and that FIG. 2 is not in the drawings. Applicants have amended the specification to list FIGS. 2a, 7b and 7c in the specification. Further, the reference therein to Fig. 2 has been changed to Fig. 2a.

If for any reason the Examiner determines that the application is not now in condition for issuance, it is respectfully requested that the Examiner contact, by telephone, the Applicants' undersigned attorney at the indicated telephone number.

Respectfully submitted,

Attorneys for the Applicants
